MIDDLETON HALL
— & GARDENS —

ABOUT US

Middleton Hall is set in 42 acres of the peaceful North Warwickshire countryside and run by an independent charitable trust.

Journeying through our magnificent manor house, Georgian Walled Garden and peaceful grounds, you will discover over 950 years of remarkable history.

The Hall, gardens and grounds have been lovingly restored by our team of dedicated volunteers since 1980.

We are always keen to welcome new enthusiastic people to help take care of our unique historic house and gardens and help open its doors to more visitors.

Join our friendly volunteer team and share your existing experience and skills or learn new skills while you work in a beautiful setting.
